Description

Aluminum

Our line of aluminum trailers are a lightweight option that can help maximize towing capacity and increase fuel economy. They resist corrosion the best, making them a good choice if you frequent saltwater or marine environments.

Benefits of Aluminum Boat Trailers:

- Lightweight
- Great corrosion resistance
- High aesthetic appeal

Each trailer comes with the Tredit Advantage Program, which includes 24/7 emergency service, vehicle theft recovery incentive, lost/stolen key service and more.

FEATURES
