Description

The Legend Deluxe V-Nose aluminum enclosed trailer will make you the envy of the neighborhood. Offered in either a flat front (LD) or 3' V-Nose (DVN) configuration, our Deluxe model takes everything you'd love from our FTV model and adds a bright polished radius top, polished accent divider strip, a deluxe fixed step at the side entry door, black locking hasps on the rear self-mating door, and beautiful mesa skirting along the trailer exterior. For a less polished chrome look, choose a blackout package. The Legend Deluxe models are our #1 selling cargo trailer year after year, and are backed by the best warranty in the industry.
