Description

Low Profile Dump Trailer

The Low Profile Dump Trailer is built with a durable four-bolt adjustable hitch plate offering changeable settings, ranging from thirteen to eighteen inches, to match the hitch height of your tow vehicle. This model comes standard with a 2-5/16" self-seating ball coupler or an optional 2-1/2" pintle ring. For ease of operation (and to save you time), our 7,000 lb. top-wind jack reduces cranking with a convenient drop-leg feature. Simply remove the pin, lift the jack leg, and clip the pin back into place.
