Description

Galvanized
Venture Trailers' line of galvanized boat trailers comes in a range of sizes and configurations. You can stand up to corrosion from any marine environment with a hot dipped galvanized finish, so you can have a trailer that lasts a lifetime.

Benefits of Galvanized Boat Trailers:

- Heavier than aluminum trailers
- Excellent corrosion resistance, season after season
- Tubular frame design protects lights wiring and brake lines from damage

Each trailer comes with the Tredit Advantage Program, which includes 24/7 emergency service, vehicle theft recovery incentive, lost/stolen key service and more.
