## **Description**

- Save Garage Space Conveniently fold, lock and store your Toro practically anywhere in your garage or shed with SmartStowRegistered three step stowable technology.
- Supercharge Your Mow Supercharge your cut with Vortex Technology allowing greater under-deck airflow; delivering a lush green lawn
- Super Bagger Get the job done more easily than ever with our new Super Bagger, shaped for easier lifting, noshake pouring and zero-hassle cleanup.
- Bag On Demand. Easily change from mulching to bagging with the quick-connect bagging system.

Save up to 70%\* more space in your garage, leaving room in your garage for the things that matter with Toro's Recycler Smartstow series. This mower is equipped with patented cutting technology bringing an innovative mulching technique plus vortex technology that supercharges your cut with an amped up under-deck airflow that cuts grass into teeny-tiny, clumpless clippings. Giving you Lawn Vitamins™ for free. Or throw on the grass bag and start your lawn vacuum that holds more so you empty the bag fewer times. Easy go with the curved ergonomic handle allowing your hands and wrists to rest easy as you mow. This model features a powerful 150cc Briggs and Stratton engine with a durable 22 inch steel deck for you to enjoy for years to come. The large rear traction high-wheels deliver easier maneuverability and greater cutting precision over uneven terrain. Combined this with best of all, no oil changes for the life of the engine. Just Top it Off.

Choose the right fuel for your mower. For best starting results use Non-ethanol fuel with an octane rating of 87 or higher. Use fresh fuel less than 30 days old, add fuel stabilizer to reduce starting problems. Do not mix oil with gas.
